PLAN's Social Audit	Conducting the Social Audit was a	www.social audit.ca
Website	milestone for PLAN. The board of PLAN	
	implemented the social audit to ensure	
	that the values around which PLAN is so	
	carefully constructed are maintained long	
	into the future. It was PLAN's means of	
	holding itself accountable and provides a	
	transparent view of the organization,	
	reporting on both successes and	
	challenges in a balanced and candid way.	
	To our knowledge, PLAN was the first	
	not-for-profit organization in Canada to	
	have an externally reviewed social audit.
